Save humanity by killing a jew? I will be true follower of God's divine ideas!

I love God. He blamed Adam and Eve for bad decision without giving them knowledge, what is bad and good. It is like creating blind person (Exodus 4:11) and punishing him later for inability to choose right color. God also lied that they will die the same day when they will eat apple from tree of knowledge (Genesis 2:16-17). God made me the most cunning beast in a field (Genesis 3:1). Humans had no chance against me.

Romans, make sure that this bastard and evidence of my sexual unrestraint between little human girls will suffer and die!

Dad, WTF!!!

Stop whining. As omniscient God you know that you will not die, but will go to Heaven with all your body. I needed to betray you, to save humanity. I just hope, I will not end up hanged, like you.
