

And the SUN became afro-american  
(Revelation 6:12)

Now I will show you  
climate change,  
fucking humans  
(Revelation 16:8) !!!

People are so stupid. I kill  
and torture them on Earth  
and they believe, that I will  
be different in Heaven. Go  
kill these dumb imbeciles. I  
can always make new ones  
and start all humanity from  
incest again. And they still  
believe, that Jesus will help  
them (Matthew 5:17-18).

GOD is Volcano  
(Exodus 19:16-19; 24:15-17)

Can't wait, when God  
will release Satan on all four  
corners of flat Earth  
and later God will kill  
everyone who will  
seek salvation in him  
from God's love  
(Revelation 20:7-10)!

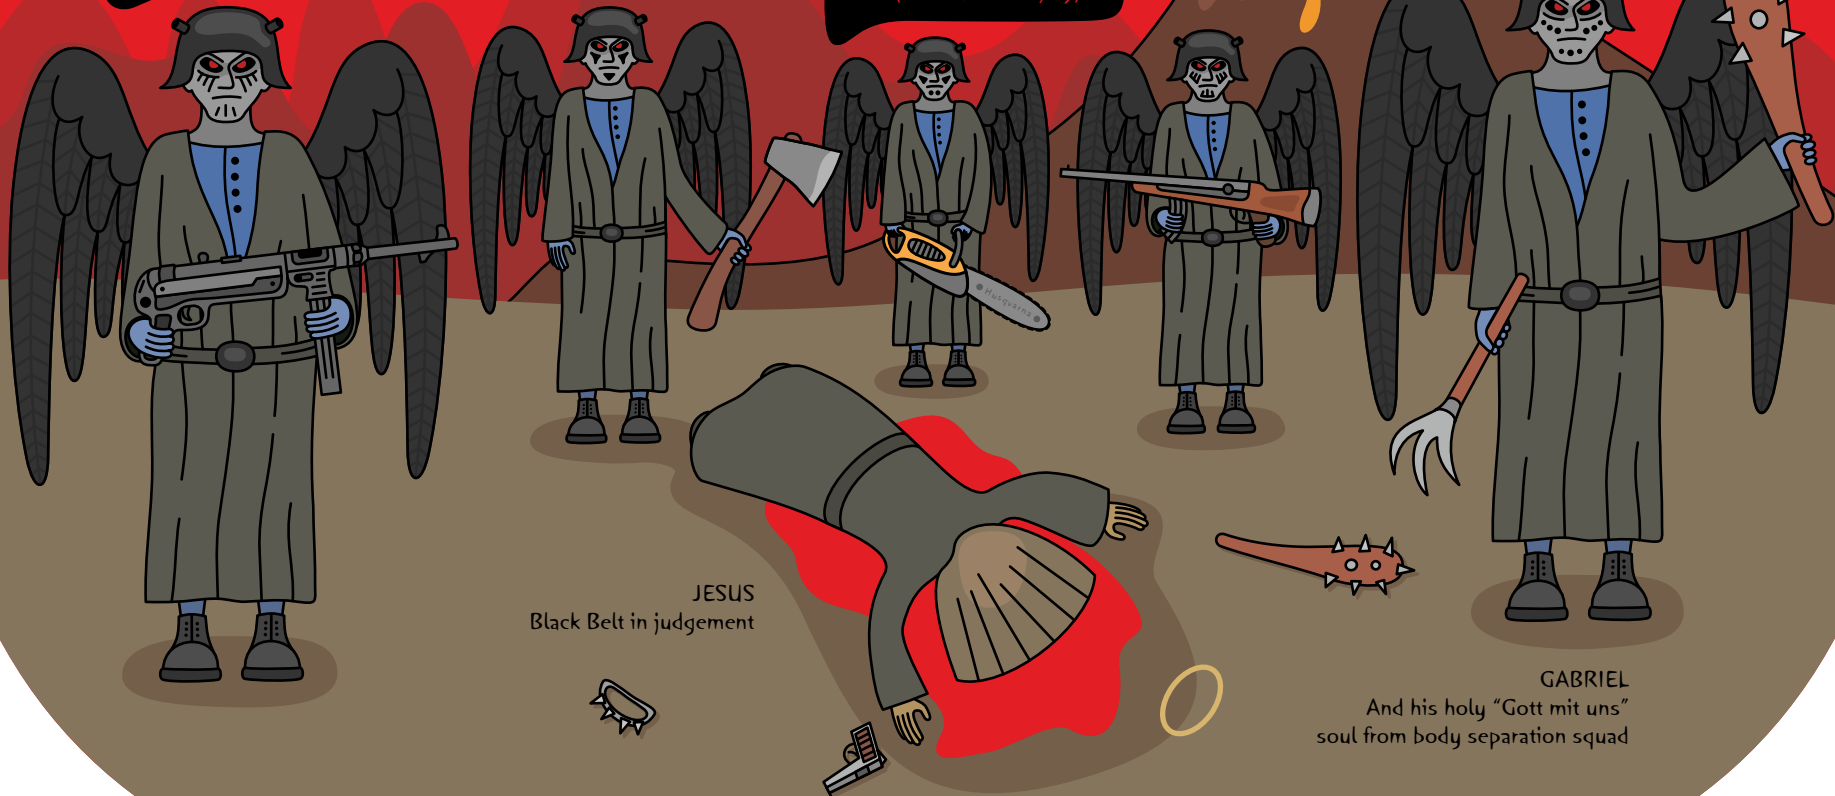

Who will lead us to kill people  
working on Sundays (Exodus  
31:14-15), gays (Leviticus  
20:13), blasphemers  
(Deuteronomy 13:6) and all  
these infidel women and  
children (2 Chronicles 15:13)  
now?!! Let's kill everyone  
(Hebrews 10:28) !!!

Damn, that must hurt !

Let's burn grass, trees and kill  
sea animals - they deserved  
to die for human sins. And  
this will piss off Greenpeace  
too. (Revelation 8:7-9)?!!

Dumb fuck, you  
are not Superman  
or Batman to fly  
on your own.
